

**Dear Friends:**

We want to touch the lives of all children in this valley, to help them define their identity and have a great time doing it. To this end, we would like to see every child in our area have the opportunity to attend a week of camp together. This will help them meet new friends and develop their Christian character, confidence, and community in the wonderful Camp Hebron setting.

The **RockSOLID Camp Connection** is just that opportunity! Why send your child to a camp that is hours away, when **Camp Hebron** is so close? Why send your child to a camp where he/she knows no one? With RockSOLID Camp Connection they can bring their friends and enjoy the camp experience together and meet new friends from the local area while building a connection that will help them to support and uplift each other as they go through the sometimes difficult growth years of middle and high school.

We have pre-selected four specific weeks of Cabin Camps at Camp Hebron, and are inviting the entire community to send their children to these age-specific camps, beginning with Frontiers Camp for Grades 5-6 and going all the way through Sojourners Camp for grades 9-12. Take a look at this brochure for details. Please do not allow finances to keep your child from participating. Scholarships are available through the camp. Contact Curt Louder at clouder@camphebron.org for more information.

We hope you'll agree that a RockSOLID Camp Connection will be one that helps your child build lifelong friendships, nurtured in a Christian atmosphere and supported by local churches. We want to give your children a RockSOLID foundation from which to spread their wings and fly!

Blessings,  
The Halifax Ministerium

These week-long summer kids' camps offer fun activities including swimming, boating, horse-back riding, archery, crafts, hiking and more while building lasting relationships. Each cabin is supervised by a trained counselor who will help camp come alive with exciting and meaningful activities for the campers. A typical day includes morning devotions, Bible study, singing, three meals and an evening snack. Evenings include a message by a camp pastor. Each cabin has electricity and a bathroom. A closing program wraps up the excitement and begins the sharing of the wonderful week with the rest of the family.
